ISTA's tuning fork classes *raise the bar* for certification by offering students the ability to experience multiple sets of forks and how they can be used on and around the body to balance the body's energetic system, to reduce stress and pain, and to "*Bring Life into Harmony with Tuning Forks*". This course is taught by a master teacher with more than 25 years of experience with tuning forks. You will be able to see and learn through the eyes of a mathematician and musician the importance of incorporating this sound tool into your life.

ISTA is the only organization that teaches a large range of tuning fork sets and the only one that brings the different tunings, scales and music theory to the students.

## **"ONLINE LECTURES" and "IN CLASS" LEARNING AND EXPERIENCE**

Listen to the online lectures on your own time, with the ability to listen again to these lectures for deeper understanding. This also allows more class time for discussion and actual practical hands-on experience. You will learn many techniques for delivering sounds both on and off the body.

Information includes the 4 tuning systems that go back to the time of Plato.
